

TRESTLE BENCH - 2 LEGS

The Trestle Bench is inspired by the design of the Trestle Table and therefore makes the perfect combination with this table. It is available in a variety of lengths, which are also suitable for other rectilinear tables. It consists of a series of 2 robust forged steel legs, united by a solid horizontal round bar, supporting a wide 2 part wooden seat, cleated together on the underside.

Ref	Length	Timber Thickness
2030	1500	25
2031	1800	25
2032	2100	25
